

### DRAFT

#### Course Objectives

**Analyze leadership models in relation to current military operations.**

- Analyze situations to determine the effect of leadership styles on outcomes.
- Effectively write operation orders using standard Army procedures.
- Explain the LDP evaluation process.
- Describe effective team building and communication techniques.

**Apply technical skills in military operations.**

- Use navigation techniques to move from one point to another.
- Analyze terrain using OCOKA.
- Conduct battle drills in specific situations.

**Improve self-awareness and discipline.**

- Evaluate personal goal achievement.

### **MSL 202: Leadership in Changing Environments**

#### Overview

MSL 202 examines the challenges of leading in complex contemporary operational environments. Dimensions of the cross-cultural challenges of leadership in a constantly changing world are highlighted and applied to practical Army leadership tasks and situations.

Provides a smooth transition into MSL 301. Cadets develop greater self awareness as they practice communication and team building skills. COE case studies give insight into the importance and practice of teamwork and tactics in real world scenarios.
