

UNIVERSITY PLANNING COMMITTEE

FY2007-08

Charge: The University Planning Committee (UPC) is an advisory committee to the Vice President for Planning & Chief Information Officer. The UPC assists in the preparation of the University's five-year strategic plan, and monitors its implementation and progress. The UPC offers input to the University-wide strategic planning process, including the integration of the annual and tactical planning, institutional effectiveness, and budgeting processes. (Est. 1997; revised 2007)
